How Capital One Travel Works: The Basics Capital One Travel is a dedicated 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] booking engine powered by Hopper. It functions similarly to online travel agencies (OTAs) like 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] Expedia or Booking.com, allowing cardholders to 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] book flights, hotels, and car rentals using cash, Capital One miles, or a combination of both. When you book flights through the portal, you can 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] search across hundreds of domestic and international airlines. 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] However, there is a major distinction that every smart traveler needs to understand: 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] booking flights through the portal vs. transferring miles to airline partners. ● Booking Through the Portal: You buy a ticket through 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] Capital One's interface. You can pay with your card and 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] get a high point-multiplier (e.g., 5x miles on flights with 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] premium cards), or redeem your miles directly at a flat rate of 1 cent per mile. ● Transferring to Partners: You move your 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] Capital One miles directly into an airline’s frequent flyer 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] program. This strategy is highly favored by points 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] and miles experts because it often yields a much higher value than 1 cent per mile, 📞[+1-877-622-0707(UK) OR +1-877-622-0707 (US)] particularly when booking international business or first-class cabins. 2.
